Technology Skills

Dart | Flutter | OOP | Problem Solving | Firebase | SOLID | MVVM | Git | GitHub | Figma to Flutter | Prompt Engineering | Accurate Prompting | Large Language Models (LLM) | Generative AI

Soft Skills

Adaptability | Communication | Compromise | Creative Thinking | Dependability | Leadership | Listening | Work Ethic | Teamwork | Positivity | Time Management

Projects

Flutter Developer - Financial UI

Financial Mobile UI

Personal Project | Flutter / Dart

- Developed a modern financial mobile UI that simulates a clean and intuitive digital banking experience.
- Built authentication flow screens including login, OTP verification, and reset password.
- Created a dashboard with financial statistics, card management screens, and a user profile section.
- Implemented responsive layouts using Flutter ScreenUtil and navigation management using GoRouter.
- Used `pin_code_fields` for OTP input, `carousel_slider` and `dots_indicator` for card sliders, and `fl_chart` for financial charts.

Certificates

- Sprints x Microsoft summer camp - Mobile Development | 2025
- The Complete Flutter Development Guide Certificate | Udemy | 2026
- Million Prompts Completion Certificate | DUBAI FUTURE FOUNDATION | 2026
